

Gear House CSB (Community Supported Bikes)

Have you ever heard of a CSA from your local farmer? Well, this year we are doing something similar. Introducing our new Community Supported Bikes (CSB) program.

Investing in your bike habits now will earn you bonus credit and special discounts on future purchases in the store.

Select from one of our three packages below by March 21st. Your money and bonus credit will be applied to your customer account and can be used on anything in the store. When you use it to purchase new items in the store you will receive an additional percent off through the year.

Yes, this discount applies to bikes as well! So if you're thinking about a new bike this spring, this is a great way to make that first deposit – or plant that seed!

\$300 - Newt

- Receive an extra \$20 on your account
- Receive 5% OFF all new item purchases in store

\$500 - Apple Core
